

APPENDIX E

Standardized MSE CP Configurations

To create the most efficient, productive work environment under the most extreme/adverse conditions, the following CP configurations are suggested. (See Figures E-1 through E-6.) These configurations may not suit every situation, but they provide a base from which a corps signal division/brigade signal battalion SYSCON can carry out its mission.

LEVEL 1

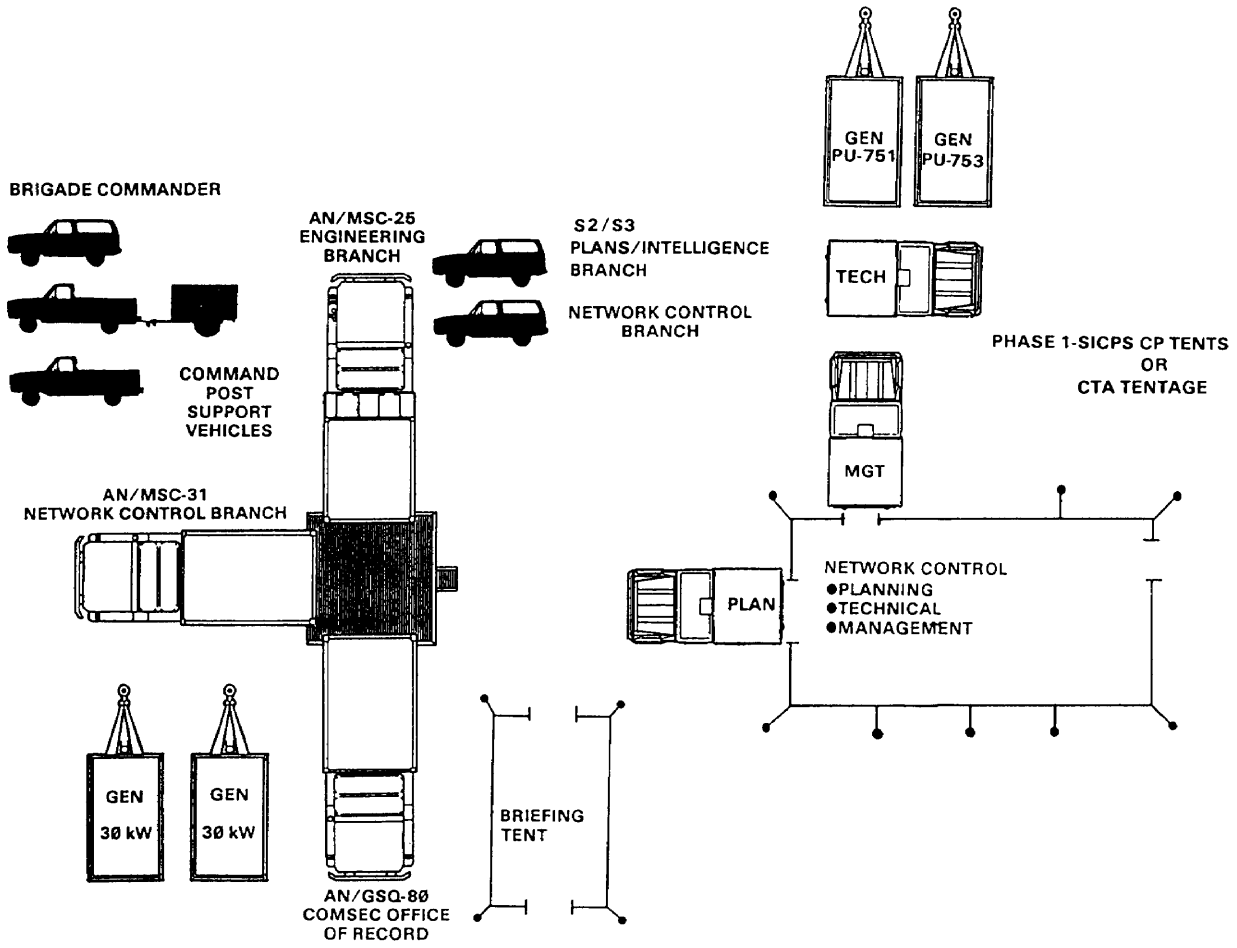

Figure E-1. Corps signal brigade tactical CP level 1.

LEVEL 2

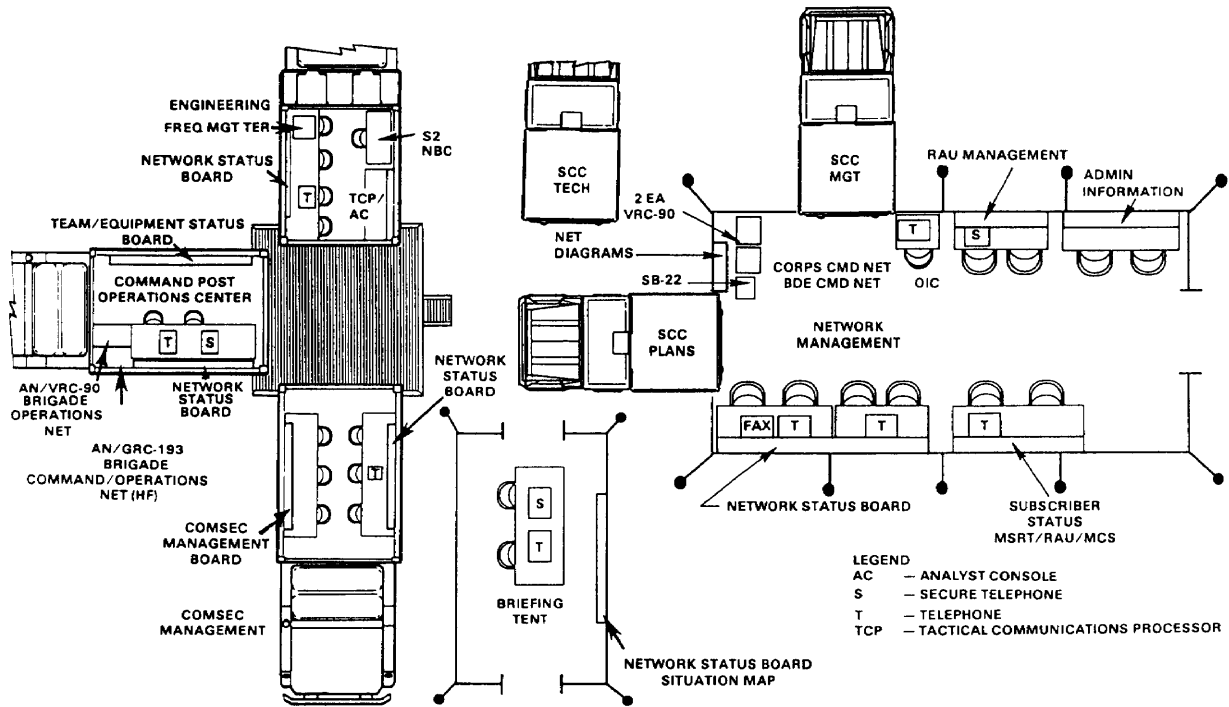

Figure E-2. Corps signal brigade tactical CP level 2.

LEVEL 1

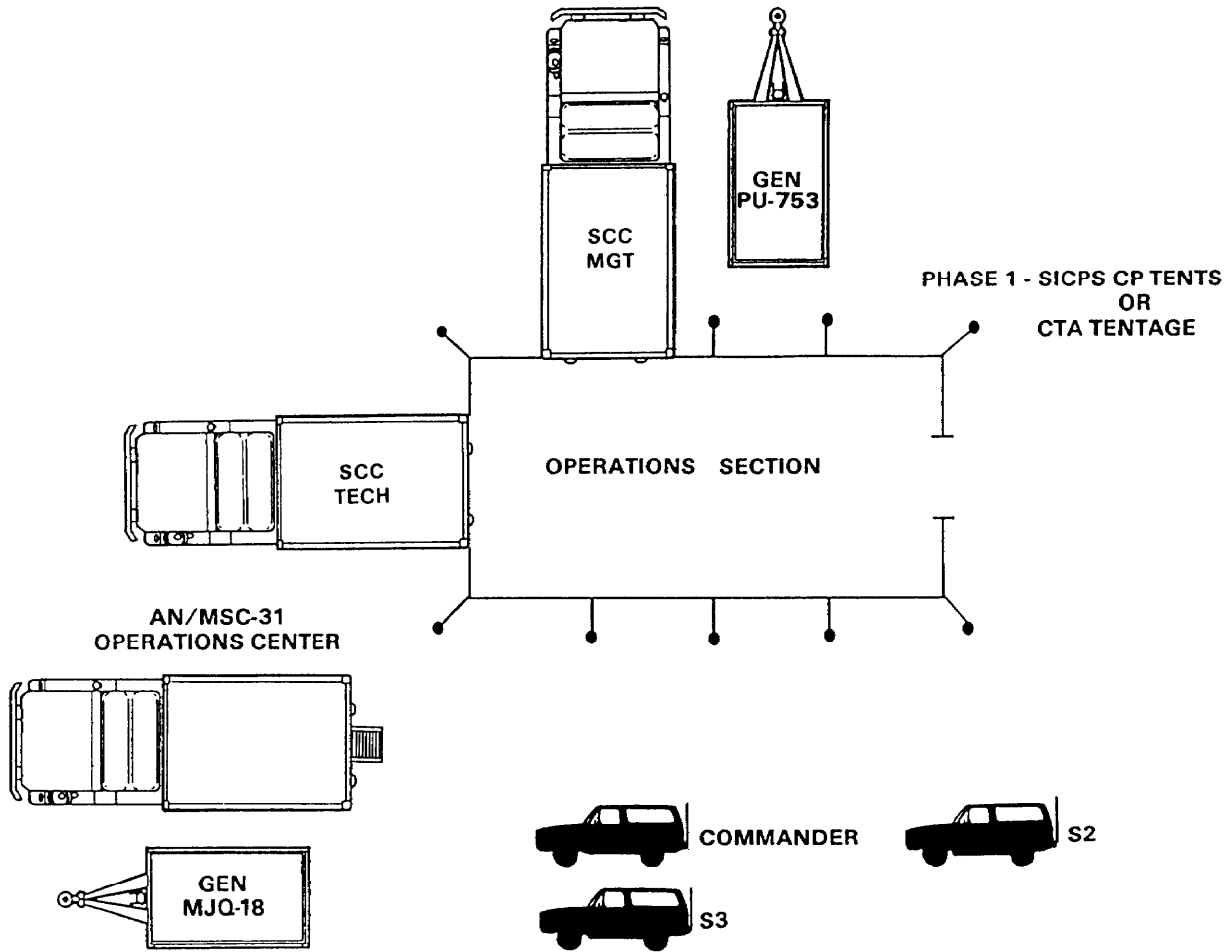

Figure E-3. Heavy division signal battalion tactical CP level 1.

LEVEL 2

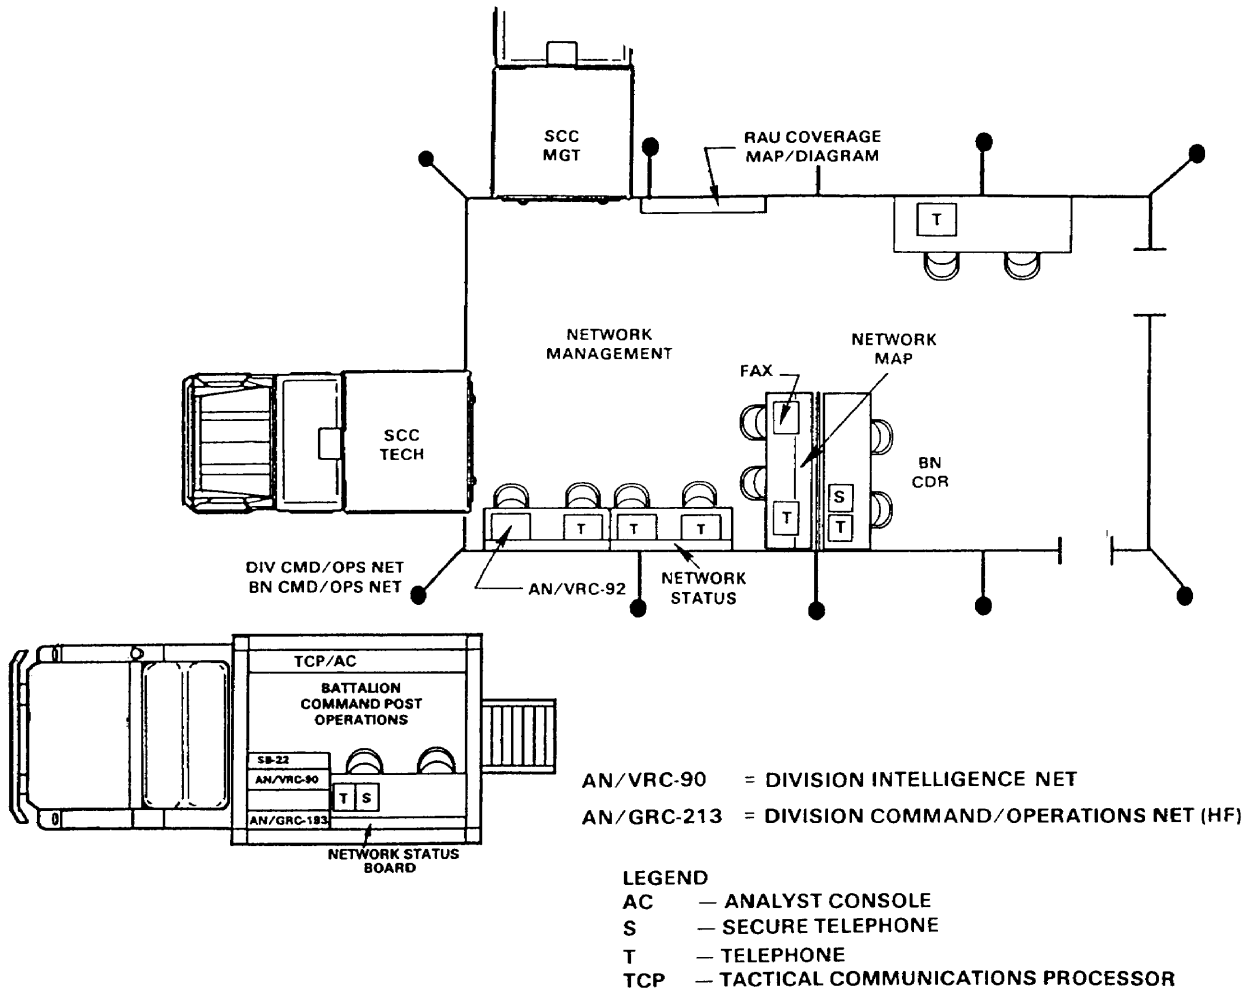

Figure E-4. Heavy division signal battalion tactical CP level 2.

LEVEL 1

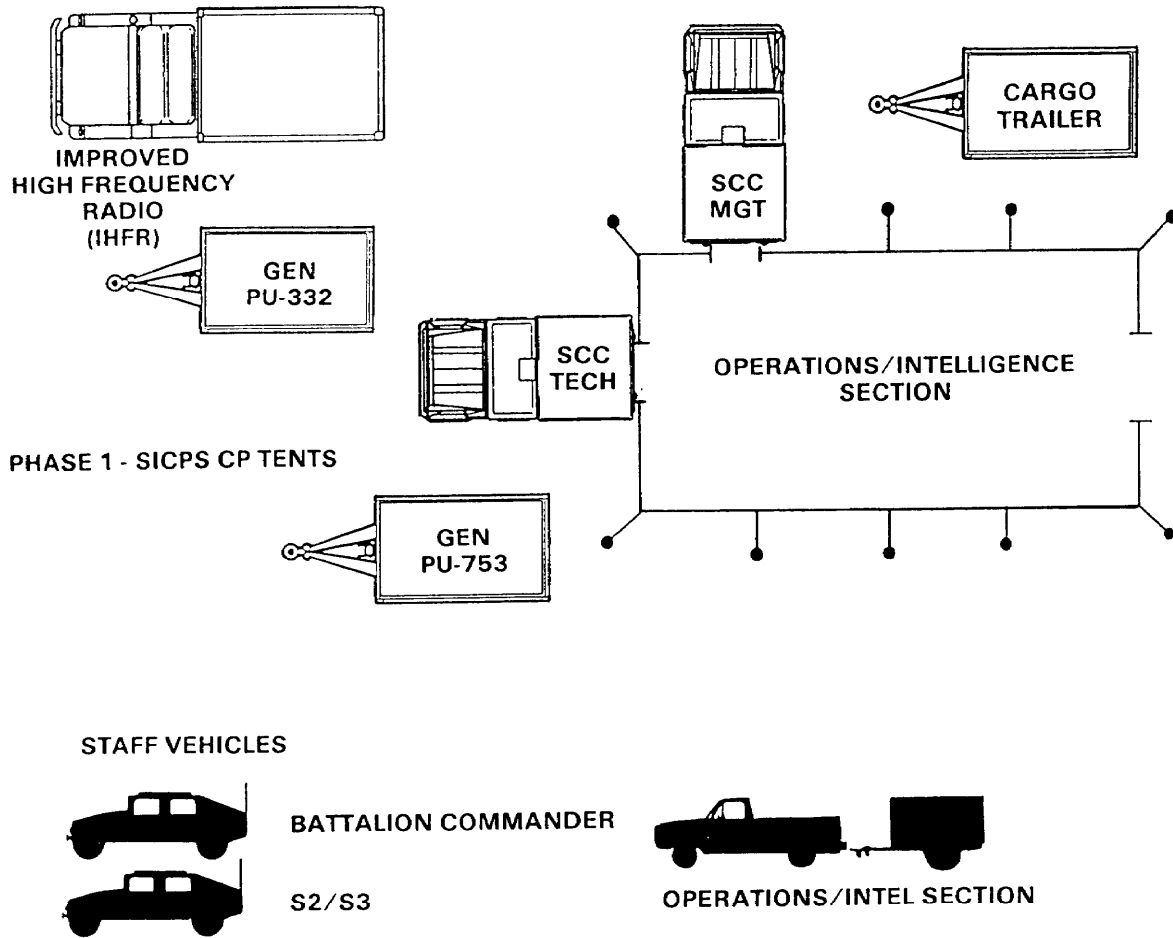

Figure E-5. Light, airborne, air-assault division signal battalion tactical CP level 1.

LEVEL 2

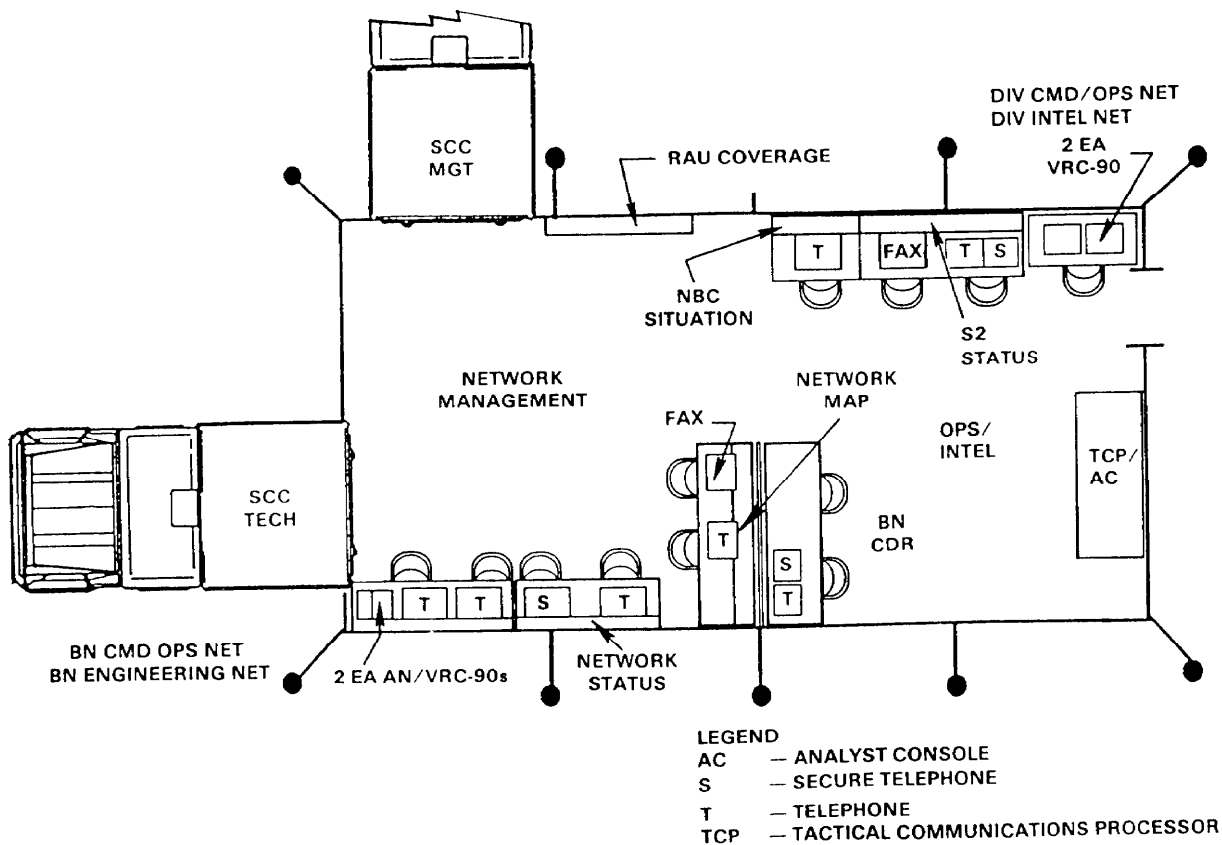

Figure E-6. Light, airborne, air-assault division signal battalion tactical CP level 2.
