

Glossary

AAR	after-action report	DMD	digital message device
AC	Active Component	DOF	direction of fire
ACCP	Army Correspondence Course Program	DS	direct support
A/F	adjust tire	EIB	Expert Infantryman Badge
AMC	at my command	EOM	end of mission
ANCOG	Advanced Noncommissioned Officer Course	eval	evaluation
ARTEP	Army Training and Evaluation Program	exam	examination
bn	battalion	FA	field artillery
BNCOC	Basic Noncommissioned Officer Course	FDC	fire direction center
BLTM	battalion-level training model	FDCCP	Fire Direction Center Certification Program
CALFEX	combined arms live-fire exercise	FFE	fire for effect
CFX	command field exercise	FIST	fire support team
chg	charge	FM	frequency modulation; field manual
CMD	command message to observer	FO	forward observer
CMT	combined mortar training	FPF	final protective fires
co	company	FPL	final protective line
CONUS	continental United States	FSCL	fire support coordination line
CPX	command post exercise	FSCOORD	fire support coordinator
CS	a chemical agent ("tear gas")	FSE	fire support element
CSR	controlled supply rate	FSO	fire support officer
CSS	combat service support	FT	firing table
ctg	cartridge	FTX	field training exercise
CTT	Common Tasks Test	GD	grid declination
D	delta	GMT	Greenwich mean time
DA	Department of the Army	GS	general service
DCT	deflection conversion table	GT	gun-target
DEPEX	deployment exercise	GTA	graphic training aid
		HE	high explosive
		HEQ	high-explosive quick

HOB	height of burst	MPI	mean point of impact
HTA	Hohenfels training area	MPS	meters per second
IAW	in accordance with	MQS	military qualification standards
ID	identification	MTA	major training area
IET	initial entry training	MTO	message to observer
IG	inspector general	MTP	mission training publication
ILL	illuminating	NBC	nuclear, biological, chemical
IMP	impact	NCO	noncommissioned officer
IMPC	Infantry Mortar Platoon Course	NCOES	noncommissioned officer education system
IN	infantry	NCOPD	noncommissioned officer professional development
indiv	individual	NG	Army National Guard
IOAC	Infantry Officer Advanced Course	NGF	naval gunfire
IOBC	Infantry Officer Basic Course	No.	number
IS	immediate smoke	NSN	national stock number
ITEP	Individual Training and Evaluation Program	OIC	officer in charge
LD	line of departure	OP	observation point
LED	light-emitting diode	OPD	officer professional development
LFX	live fire exercise	OPFOR	opposing forces
LRTR	long-range training round	OES	officer education system
mi	mils	OSUT	one-station unit training
M	meter(s)	OT	observer-target
MAPEX	map exercise	PCC	Pre-Command Course
max	maximum	PD	point-detonating
MAZ	mounting azimuth	PE	probable error
MBC	mortar ballistic computer	plt	platoon
MDP	MET datum plane	PROX	proximity
MET	meteorological	RALS	right add, left subtract
METL	mission-essential task list	RATELO	radiotelephone operator
METT-T	mission, enemy, terrain, troops and time available	RC	Reserve Component
MILES	multiple-integrated laser engagement system	RCF	range correction factor
min	minimum, minute(s)	rd	round
mm	millimeter	ROTC	Reserve Officers' Training Corps
MOS	military occupational specialty	RP	reference point; red phosphorus; registration point
MOUT	military operations on urbanized terrain	RPM	rounds per minute

S3	operations and training officer	TFT	tabular firing table
sec	section	TG	training guide
SFC	sergeant first class	TM	technical manual
SGT	sergeant	TMPC	terrain mortar positioning correction
SL	section left	TOC	tactical operations center
SM	soldier's manual	TOE	table of organization and equipment
SOI	signal operation instructions	TOF	time of flight
SOP	standing operating procedure	TOT	time on target
SQ	superquick	TRADOC	Training and Doctrine Command
sqdn	squadron	TRC	total range correction
SQT	skill qualification test		
SR	section right	USAREUR	United States Army, Europe
SRTR	short-range training round	USAIS	United States Army Infantry School
SSG	staff sergeant		
STP	soldier training publication	VA	vertical angle
STRAC	Standards in Training Commission	VI	vertical interval
STX	situational training exercise	vs	versus
		VT	variable time
TC	training circular	WP	white phosphorus
TEC	training extension course	wpn	weapon
T&EO	training and evaluation outline	W/R	when ready
TEWT	tactical exercise without troops		
TFC	technical fire control
